The Chess Club held a marathon chess match between senior Steve Adamonis and soph Dale Farmer in the front window of the Southgate Kaplan's store . . . Mike Slater was crowned king of the homecoming court . . . Elaine Hicks' legs led her to the winner's circle in the Ms. Legs contest . . . The 26th Street Singers from Marion, Indiana swept the Bishop Luers 1st Invitational Swing Choir Contest . . . We had to give up the bell to City Football Champs Dwenger . . . All of these might not seem to have much in common, but if you look back over them a little closer, you will see a certain thing in common — they are all new and different happenings at Luers. Many schools aren't as fortunate in having such a variety and abundance of extracurricular activities. As you read this section reflect on the activities that we have — old and new — and try to appreciate the fact that because of them, 1974-75 was indeed the year that made the difference.

The Frosh Party a Big Success

On September 6, the Key Club sponsored the annual Frosh Party. There were various activities and refreshments prepared which gave the Frosh a chance to get to know each other. It's hard to say who enjoyed the evening more, the Key Clubbers, the faculty, or the Frosh.

Scholars and Athletes Are Honored

Swiss steak, green beans, and a potato come to mind when we think back on the various banquets held throughout the 74-75 year. On April 30, the scholars of Luers were honored at the annual Honors Banquet. The students and their parents were invited to the dinner if they had achieved honors the first three quarters of the school year, which means they had to have at least a "B" average each quarter.

The Fall and Spring Athletic Banquets were held on December 1 and May 14, in order to honor the athletes and coaches of the various sports. Among the teams honored were softball, volleyball, tennis, cross country, football, basketball, track, baseball, golf and cheerleaders.

A Day for Thinking About the Future.

September 25, designated "Higher Education Day," was presented for students interested in continuing their education. Representatives from colleges and vocational schools were available to discuss and distribute information about their respective schools. For the students, this day was a chance to decide on careers and choose the school of their choice.

Music Department Holds Successful Contests.

The Music Department hosted two successful contests this year. The first was the annual NISBOVA contest on February 1. Over 2500 contestants from schools in northern Indiana competed for prizes, and many Luers students were among the winners. The Lancers took first in their division and went on to win first in state. A quartet of trumpeters from the band also received a first

in addition to several others winning individual awards.

Then on February 22, the Minstrels hosted the first annual Swing Choir Contest. Seven schools entered the contest and Marion High School won first place honors.

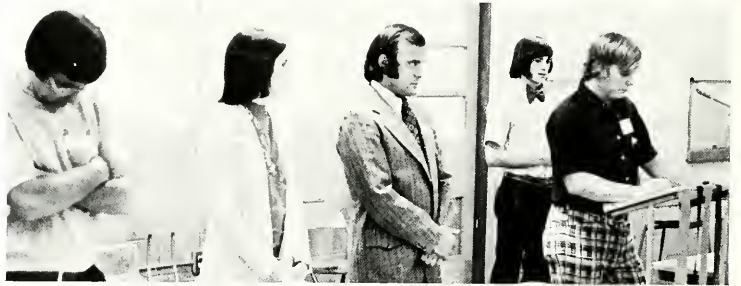

Leaders of Luers United

On October 30, the Key Club sponsored "Leadership Night". The event, hosted by Kevin Becker, included Ms. Koepp and Mr. Mauch as guest speakers. Leaders of organizations at Luers were invited to listen to topics and discuss in small groups what it means to be a leader of Luers.

"Whisper" was the band, the date was December 23, and the place was Luers cafeteria. The tradition of the annual Christmas Dance was headed by Lori Fitzwilliam and the servers were Dana Walicki, Patty Weber, Donna Ryan, and Patty Ehrman.

Luers always has and will continue to be a school noted for their spirit. And what better way for a school to show their spirit than thru assemblies.

12 times last year the students of Luers gathered in the gym for an assembly. There was a variety of assemblies but the majority of them were to spirit the fans before a sports activity.

Aside from the sports assemblies, there were a few educational assemblies ranging from singer Chuck Bissett to practical techniques of karate.

A major event for Luers is the Annual Christmas Drive. An assembly is held at the close of the drive and the money, food, and clothing were handed over to the Christmas bureau and Catholic Charities. A total of \$2358 was collected by the student body. This project was headed by Fr. Vernon, Mr. Matthews, and Ms. Lombardo.

The spirit of the assemblies will be remembered by each senior who, in the course of four years, have participated in a host of them. Until next year, "... Frosh and Sophomores remain seated."

The week of February 10-14 was named, "Focus on Women Week." Guest speakers throughout the week discussed the achievements of women, presented viewpoints on women's roles in society, and talked about the opportunities open to women today.

One exceptional speaker was Ms. Joan Uebelhoer, a former teacher at Luers, who portrayed Ms. Elizabeth Cady Stanton, a pioneer in the women's movement. Another highlight was the variety show which enabled the women of Luers to display their respective talents. The week's activities gave the Luers student body and faculty a chance to hear new ideas, assure women of their potential, and encourage them to use it.

Upper Left: Nancy and Greg participate in a role reversal skit. Middle Left: Women of Luers display their singing talent. Lower Left: Carol Schafer reads a new version of "Cinderella". Lower Middle: Pat Knight speaks against the E.R.A. Below: Mary Mungovan performs a floor exercise.

The Style Bridge "Focuses on Fashion."

The Mother's Club Style Bridge was held March 19 and, as usual, was a great success. The chairpeople for the evening were Mrs. Helmsing and Mrs. Hobson. Patterson Fletcher's clothes were modeled by students, parents, children, and teachers. Many attendance prizes were given away while the guests enjoyed refreshments, bridge, and each other's company.

Cultural Week Brought a Variety of Events.

April 28 through May 1 was designated as Cultural Week. This week was designed to give the student an opportunity to explore and experience areas of life not ordinarily seen in a classroom. Speakers were brought in to talk on topics pertinent to the specific theme for that day. Monday was "Political Day"; Tuesday, "Nationality Day"; Wednesday, "Occupation Day"; and Thursday was "Fine Arts Day".

Each club has a unique purpose fitted to a specific need. While the names and goals of the various clubs generally remain the same from year to year, always their accomplishments are new. This year was no exception, the 1974-75 organizations have been different where it counts. For each club member at Luers, much has been gained. Leaders have been discovered. Friends were found. A feeling of belonging was shared. Devotion to the cause grew. Goals were achieved. Acceptance of responsibility was learned. Nor were the members the only ones to reap the benefits. At Bishop Luers, the students and faculty all profited from their various achievements. Because of these organizations, the dress code was changed, money was collected, raffle tickets sold, newspapers published, and Luers was a cleaner place. Thank you members. The Accolade salutes your dedication.

A Knack for Craft Is Found in the Art Club

Above: Sue decorates the bulletin boards. Top Right: Members clean up after a heavy job.

A not very large, but talented group at Luers is the Art Club. They do numerous projects throughout the year. They made posters for the Mother's Club, decorated the front of school at Christmas time, held a contest for a mural in the cafeteria with the winning drawing to be painted on the wall, decorated for the spring and Christmas concerts, and made the props for the plays. The moderator was Sr. Kay Francis for the first half of the year, and then Ms. Schafer. Libby Heiny was the president, and Sue Bentz was vice-president. Nan Walicki was secretary-treasure. The other members were Nancy Kress, Kara McCarthy, Sharon Schultz, and Mary Ulrich.

Behind the Scenes Servers

The Z-Club is a service club and takes care of many tasks at school that we all take for granted. Its members wash the chapel monthly and serve at Luers banquets, dinners, plays, and breakfast. This year they treated Miss Virginia's and Southside Day Care Centers at Christmas and Easter. To raise money for these projects, the Z-Club held bake sales during the year. Socially, the club's highlight was their annual banquet. The club spent their spring vacation cleaning the chapel. This year's moderator was the home ec teacher, Ms. Mary Voors.

We've Got Your Number . . . It's One!

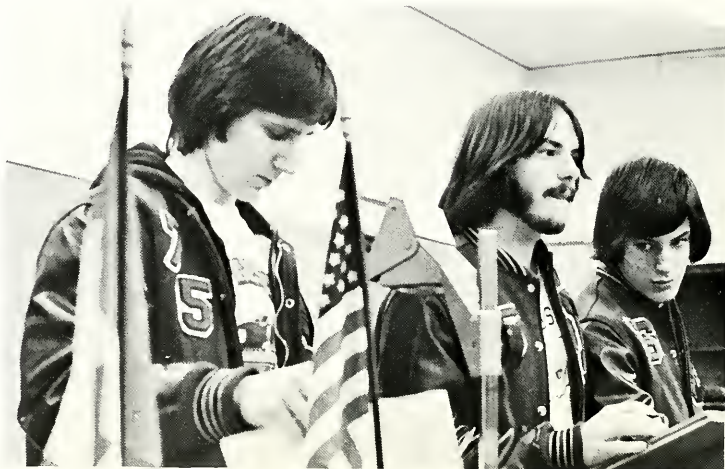

For the 6th straight year, our Key Club was named the no. 1 Key Club in the state at their annual convention, held in Indianapolis. They were rewarded for their many achievements and hard work during the year.

Some of their yearly projects included a Christmas tree drive, a leaf raking party, Leadership night, a ping pong tourney, cleaning a YMCA camp, the March of Dimes telethon, the Cancer Society and the Indiana Diabetes bike-a-thons, and working on a Johnny Appleseed Buddy Program.

Fr. Vernon moderated the club this year, for his last time. Next year Fr. Max will take over.

No Limit for Our Writers

Writer's Unlimited is the name of this club. The moderator this year was Ms. Vicki Euckert. At their meetings every other Wednesday, the members discussed their own writing and those of other writers. Plans were made for a literary magazine towards the end of the year with Luers creators submitting entries such as poems and short stories, illustrated with pictures and art work.

Above: Like they always say, "Three heads are better than one!" Upper Right: The liberated Farquhar pose. Right: The unlimited writers include: Chris White, Mary Farquhar, Paul Robbins, Theresa Beckman and Elaine Edwards, with moderator Ms. Vicki Euckert.

The Camelot Club's Conquest was to further acquaint guys at Luers with religious life and the priesthood. They met usually every other Sunday evening, and often a guest speaker was present. They made visits to seminaries during the year, had their annual banquet, and this year took a camping trip to Chain-of-Lakes.

The band had a new leader this year, Mr. Robert Slattery, and the great quality was continued. After a hard summer of practice, marching in parades, and State Fair in August, the band was more than ready to begin the school year. With football and basketball pre-game and half-time shows, pep assemblies, school concerts, plus outside full band activities such as dedications, concerts, and NISBOVA, the band managed to keep busy. The year ended with the Memorial Day Parade late in May. Let's give this great sensation a hand!

The Entertainers

Usually performing along with the band you see the pom-poms, silks, and twirlers. The band wouldn't be much without these hard working girls. They perform at all football and basketball home games, pep assemblies, various competitions, and parades. The silks, lead by Nancy Andria, are the color flag carriers for the band. The pom-poms, headed by Barb Gutman, competed at the Zionsville Drill Team contest in April. The twirlers, with section leader Ellen Phillips and solo twirler Laura Gigli, competed in the U.S.T.A. twirler contest at Butler University and brought home a first. These girls made up all their own routines. Members of the pom-pom, silks, and twirlers include: Nancy Andria, Linda Bauman, Marybeth Berner, Becky Berner, Pat Bierman, Jean Cerney, Cindy Dager, Vicki Dager, Teresa Dant, Mercy Folds, Maureen Fox, Diane Frieburger, Cassie Freygang, Laura Gigli, Laura Gremaux, Barb Gutman, Julie Hile, Karen Koch, Kathy Lanouse, Karen Matter, Diane Morel, Mary Nichter, Ellen Phillips, Kathy Renninger, Susan Renninger, Kim Rice, Chris Schmenk, Theresa Schomburg, Pam Smith, Lisa Toll, Stephanie Ueber, Julie Wass

The "Delyrical" Lancers mixed chorus this year was directed by Fr. Fred. They performed with excellence at many concerts throughout the year. In the NISBOVA regionals here at Luers, they sang themselves eight firsts and four seconds. On to state at Butler University and four more firsts and three seconds were added to their achievements. The Lancers toured in Canada and also sang in the world's largest enclosed shopping mall in Detroit. Mary Beal was the president of the Lancers and Chuck Finton and Eileen Pugh made up the council.

Chorus Gets Top Billing

The Girls Chorus is composed of sophomore and freshman girls. The purpose is to teach fundamentals of singing and to prepare the girls for the Lancers. Fr. Matthew directed the chorus. They sang at various concerts and had a few bake sales to raise money. Kim Ward was president, Debby Hooper was vice-president, Valerie Konger and Shelly Mills were librarians, and Rose Giant, Joan Baclowski and Patty Hooper were section leaders.

The Minstrels completed their first full year as a swing choir this year, and what a full year it was! The Minstrels performed several times, including office parties, assemblies, group meetings, etc. This year the Minstrels began a great future annual event — the Bishop Luers Swing Choir Contest. It was a great success and already plans are being made for next year's contest. The Swing Choir of Luers also went on spring tour as ambassadors from the U.S. to Canada. The trip lasted 5 days and the Minstrels toured all over Ontario. The great man behind this group was Fr. Fred.

A School Without a Congress

The Student Congress was headed by Greg Mauch and Nancy Kress. The members, eight representatives from each class, all joined together to make this a successful year. They met at weekly meetings.

The Student Congress wrote a constitution, handled Frosh Orientation, morning prayers, Parent Recognition nights, Homecoming, Christmas assembly and Christmas drive, Junior-Senior Prom, the exchange program, Educational assemblies, and planning of school dances. An intramural program, the painting of the cafe, the dropping of the blue pants or skirts in the dress code, senior moderators for studies, and an Alumni Association were among the new accomplishments of the Student Congress this year.

With the money raised from bake-sales and car washes, the 164 members participated in volleyball, bowling, softball, and other sports, along with an annual banquet with prizes for the top team in each. GAA jackets, and a Halloween party for Johnny Appleseed kids were other projects of GAA this year.

KNIGHT LIGHTS

Bishop Luers High School - Ft. Wayne, In.

News Staff Reports

BISHOP LUERS (AP) — B.L.H.S. students were fortunate in having the opportunity to read the informative "Knight Light's" newspaper every 2 weeks of the 74-75 school year.

Co-editors Cathy Husar and Kevin Becker put together a super paper with all important Luers news items, featuring current events, editorials, cartoons, sports, with photos of all events.

The paper was paid for out of advertising by various sponsors. Paste-ups were held every other Tuesday night, Mrs. Powell typed the articles and Brother Louie printed the paper in time for students to read every other Friday.

Several students writers also wrote for the paper which contributed to it's success.

A special thanks to Mary Farquhar for her controversial editorials.

Hotdog It's the Ski Club

The Ski Club was moderated by Mr. Ray Converset. The president was Diane Fitzgerald, the secretary was John Feil and Elaine Powell was the treasurer.

Due to the uncooperative weather, the Ski Club only went on one ski outing this year. This was on December 22. It was at Swiss Valley in Michigan. About 40 people enjoyed a sunny day of endless skiing. But that was the end of the skiing for the season. Other trips were planned but were "un-snowed" out.

Above: Here we have skiing on a table demonstrated by John Feil. Left: The officers, Elaine Powell, John Feil, and Diane Fitzgerald, that the Ski Club couldn't do without, pose with the equipment the skiers couldn't do without. Below: Moderator Mr. Ray Converset picking up a few skiing tidbits.

The 74-75 Accolade Staff

To the Bishop Luers' students and faculty,

Several years ago, during my college days, I belonged to a fraternity. The people who decided to join our fraternity were called pledges and, as such, were often subjected to a ritual called "hazing". One day, one active member was really giving it to a pledge. After that pledge (a really inactive and out-of-shape person) had done at least fifty push-ups, jogged two miles, cleaned up the house, recited the fraternity motto in Pig Latin, and brought us each a beer, the active bellowed at the pledge, "Pledge, have you been singing the praises of the fraternity?" To which the poor, lowly, fellow replied, "Sir, I don't believe I know that song."

That pledge has some things in common with the 1975 Accolade staff. Like the pledge, this staff has had to do much demanding work. Like the pledge, it has had its share of the ridiculous. Like him, it, too, has had to bear hassels similar to "hazing". And, as the pledge was part of something great, so, too is my yearbook staff.

There is a vital difference, however. Unlike the pledge, this staff knows the "song". Its major reason for existing is to praise Bishop Luers. How well they have done their job is for you, the reader, to

decide.

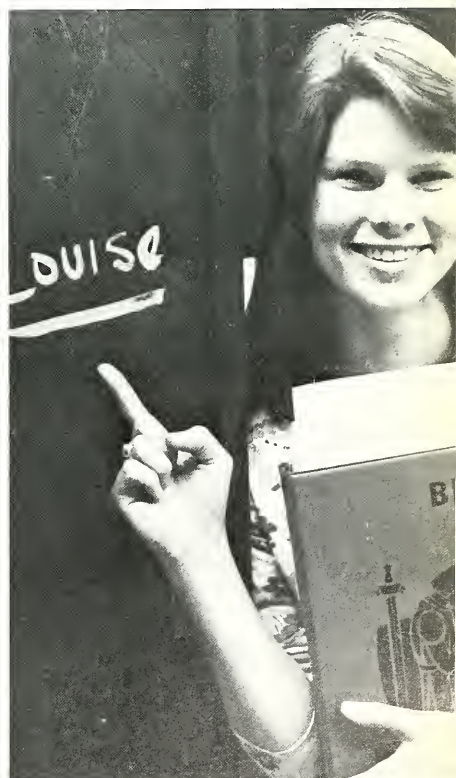

The theme of this year's book is "74-75, the year that made the difference." How appropriate this title is! Readers, you will never again experience another year like this. Like you, it is unique. For each person, 1975 holds some life long memories whether they be school oriented or personal. Our task, in putting this book together, is to capture as many of these memories as possible.

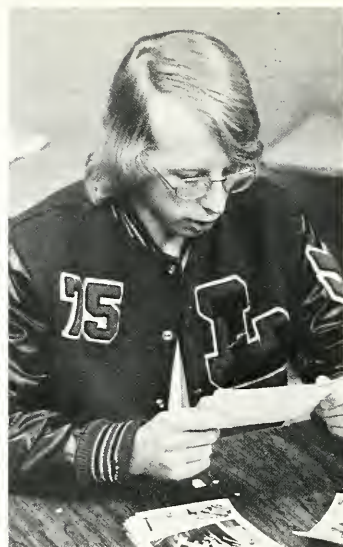

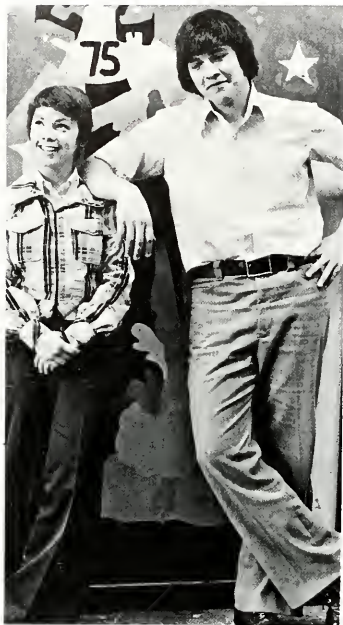

This job is a labor of love. The staff receives little praise and less recognition. There are no lavish banquets, letter jackets, or scholarships. Their only motivation is pride — pride in doing a good job, pride in Luers, and pride in themselves. I want to single out two individuals for particular praise — Louise Still, Editor-in-Chief, and Beth Braun, Assistant Editor. I wish you all knew how hard these two have worked. And what a job they did! I would like to thank them and the entire staff for making my job an easy one. Truly, the 1975 Accolade is different where it counts.

Good luck and God bless you all!
Chuck Cole, Moderator.

"I'm looking at the team and trying to predict the future. I come up with the feeling that we are on the way to a good year in 1975. I think we will be ready to roll. We have more seniors, more confidence and more experience. The results of our matches in the fall can already be foreseen, to some extent, because of the desire and spirit which has been growing. I believe the 1975 team is in the process of forming a unit, a team of which we will all be proud."

Softball Means Hard Work and Sportsmanship

It's time to sit back and relax.

"The Bishop Luers High School's softball team displayed a fine combination of hardwork, team effort and sportsmanship during their 1974 season. A major factor this season was the outstanding seniors. These ladies not only displayed team leadership and guidance but also a sense of direction and poise for their teammates. I would sincerely like to thank the 1974 Softball team for their cooperation and assistance. I sincerely hope that their skills developed and the close team relationships they discovered will find some meaning in their everyday life."

Improvement, teamwork and drive! This year's volleyball team had this and more as they posted a strong 12-4 record and managed a runner-up position in sectionals.

With the ability to spike and set well, together with a new 5-1 offense, the girls managed to pull through tough matches. The lady Knights will be looking for sectional, regional and state berths next year.

It's hard work under the boards.

The basketball is a wanted item.

We're short but we're tough! This seemed to be the saying as the girls' varsity basketball team took to the court for each game. Such outstanding statistics set by Sheila Connolly with 101 pts. and 59 steals for the season and Karen Osterholt's 127 rebounds seem to prove the point.

With only two losses to city teams, the "Little Knights" managed to place first in the city, matching records with Dwenger and South. Overall, the team compiled a 7-3 record.

Even with the loss of Seniors next year, the team should still be quite strong. With such varsity returnees as Weezie Shank, Joanie Imler, and Joie Curtis, the girls will be looking for their first Fort Wayne sectional crown and perhaps they'll go on to state!

In regards to the 11-4 meet record this was Luers most successful track team ever.

In regards to the people it was the most pleasant.

My congratulations to the Seniors for a fine year and for most of them, four years of track participation. Also to the fine under-class track athletes, who so finely complimented this years team.

Dan Derheimer took his stride to state.

Our Leaders When It Comes to Cheering

"We're from Luers, couldn't be prouder! And if you can't hear us, we'll yell a little louder!"

This traditional cheer exemplifies the tremendous school spirit for which Bishop Luers is well known. The group responsible for helping to generate and keep this spirit alive is the Cheerleaders. The 1974-75 Cheerleaders put in countless hours of hard work planning pep sessions, decorating the school, organizing spirit-boosting activities, and cheering at games, to support and encourage the school's athletic teams.

As a team themselves, the Cheerleaders competed at the United States Cheerleader's Association's summer Camps All-American, where both the Varsity and the Reserve squads won ribbons, Junior Angie Hicks won a 5th place individual trophy, and the Varsity won a 4th place team trophy. The Varsity group progressed to win a position among the Top Twenty cheerleading teams in the nation, at the U.S.C.A.'s Grand National Championships in Lansing, Michigan.

1974-75 was a year of both fun and hard work for the Cheerleaders. We'll remember their enthusiasm and dedication.

First Row, Left to Right: Angie Hicks, Karen Striecher, Elaine Hicks, Cheryl Korte, Helen Weber. Second Row: Lisa Curtis, Karen Ottenweller, Judy Rondot, Kenda Cordes, Cathy Cavacini.

"Hey you guys, don't let me fall, OK?"

Angie Hicks soars through a cheer.

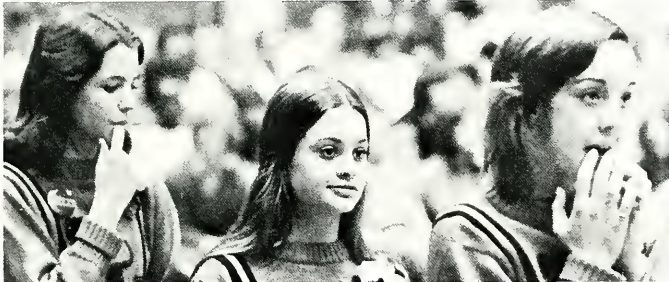

"Ready? Hit It!"

Cold hands, warm hearts.

"How about a pom-pom in the nose, buddy?"

Reserves ponder the outcome of a game.

Reserve Karen Ottenweller reflects.

Despite a weak showing at the city meet the lady tracksters placed 7th at sectionals and 4th at Regionals. Overall the team compiled a 12-4 record.

Six girls qualified for state competition. These girls, Sheila Connolly, Joanie Imler, Paula Moisica, Laura Rehm, and Kathy Renninger represented Luers in the long jump, high jump, 440 yd. dash, and 880 medley relay events.

With 23 returning juniors, sophs, and frosh, the team will be looking for more state berths.

This has been a great season for Bishop Luers baseball. The first highlight of the season was a victory over Cincinnati Bacon. This was the first time Luers beat Bacon in any sports event. Also early in the year Butch Wickensheimer pitched a no-hitter against South Adams. Later in the year Don Converset was able to hit in 25 consecutive games. This established a record which will be difficult to break. The high points of the last part of the season were winning the Sectional and Regional. I hope that the winning tradition which this team has established will carry on in future years.

Lombardo's Lobbers Do Love-ly

If the term "You've come a long way, Baby," ever applied, it surely fits the 1975 girls' tennis team. After going through a slow first season, the ladies of Luers chalked up an impressive 10-4 record in their second season. The defeats we suffered were handed to us by highly ranked teams.

The tennis team's super performance on the courts was a combination of hard work, dedication, and pride. One sad note that we end the season with is the loss of our captain and only senior, An Mattingly. Throughout the season, An not only played superbly but also helped her teammates with suggestions and more importantly in confidence and praise.

I'd like to thank all of the members of the tennis team and I am looking forward to working with them next year.

FFFFore — Oops I Missed

Once again I was very pleased with the sectional play. You played below the seasonal average under pressure times. For those who have been playing varsity golf for 2-4 yrs., I would like to say thank you. Especially during this past year, I think we had some very enjoyable times and I look forward to knowing you and playing golf with you beyond the high school environment. All of you are good players. Some are very good. Congratulations to Virgil for the great seasonal improvement over last year. And a special congratulations to Mike for making all city for the second straight year and especially the excellent play in the sectional. At this writing Mike will be thinking about regionals and then on to state. I wish you luck to all of you in the near future. But more than luck, I wish you God's peace and the desire on your part to use your mind and energies to make a better world for yourselves and others.

Intramural Program Gets Underway in 75

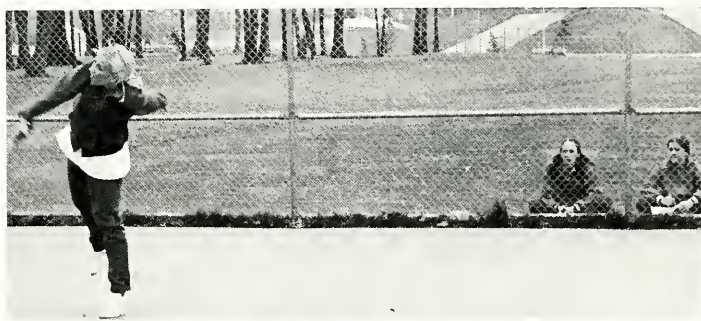

This year the Student Congress created an organization entitled Intramurals. Its purpose was to participate in athletics without competing against other schools.

Heading this project was Mike Costin, Chuck Ruckel, Dave Schuhler, and Marc Hedges. The activities were held on Tuesday and Thursday mornings at 7:00 in the gym. Those who participated

signed up previously during lunch mods. The program began in February and it started off with a volleyball tournament, followed by basketball and handball. The winners of the tournament received trophies. This program was open to all four classes and seemed to be appreciated by all.

To the people who already attend Luers every year is always the same — this year seemed to follow the pattern. Orientation put an abrupt halt to the lazy summer months. Schedule conflicts presented perplexing problems for all. Soon we had settled into the routine of classes. You might not have realized it, but there were many things that were very different about 1974-75 — in particular the people. Luers is extremely lucky to have so many unique and talented individuals. It's the people here who form that great presence called spirit which was especially evident during Homecoming Week and the sports season. The originality in the skits and hall decorations was something special. There were many other things that have come about thanks to the people at Luers — we had Student Congress Co-Presidents, a Clean Hall Award and many interesting and productive organizations. Throughout the school year the office of the Deans became inhabited by the new face of Father Carl who replaced the departing Mr. Mauch. Student teachers, nervous as they were, made good impressions on the students. As you look over this section, keep in mind how special each person in this school is, and what it would be like if we didn't have them.

Change is a very vital part of the growing community of Bishop Luers High School. Our three Administrators, Fr. Donnul, Fr. Mike, and Fr. Camillus, make it their business to keep on top of this constant state of change and keep everything right on schedule. Bishop Luers just would not be the excellent school that it is if it were not for the dedication and leadership of these three. Always there, always helping, always busy — those are the six words most closely associated with our "Big Three", Fr. Donnul, Fr. Mike, and Fr. Camillus.

As We Go Our Separate Ways Good Memories

St. Johns the Baptist Church was the setting for the 14th Baccalaureate mass. "The Coming of the Ship," was the theme, and readings by Carol Ryan, Jane Osterholt, and Amy Wiltshire followed this theme. The sermon was given by Fr. Fred.

The Baccalaureate brunch followed the mass. It was held in the gym. Various awards were given to those students who'd been active in school functions. The luncheon ended after a brief speech from Bishop Leo Pursley.

Nancy Kress gave the Presidential Farewell.

Senior guys wait anxiously for graduation to begin.

Mr. Cole announces the Accolade awards.

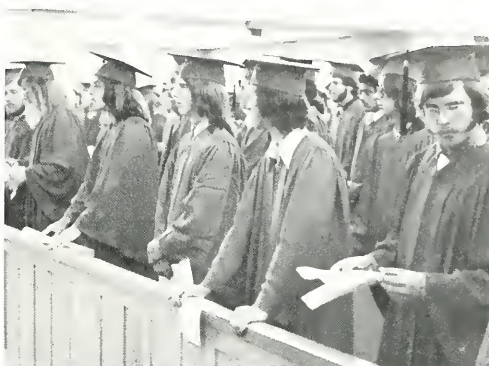

The theme for the mass was, "The Coming of the Ship."

Will Remind Us of Our Past — Good Luck Seniors

A time for silence and reflection.

Senior guys participate in the Baccalaureate Mass.

Bishop Leo A. Pursley gave best wishes to the grads.

Members of the Drama Club awarded at Baccalaureate.

A time to recognize our fellow students' achievements.

Stacey Welling and Louise Still are awarded the presidential award.

It Was the Best of Times and the Worst of Times

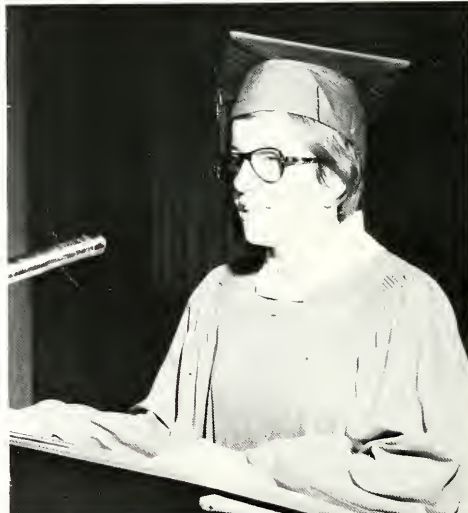

The fourteenth graduation exercises were held for the class of 1975 on Sunday, June 1, 1975, in the Bishop Luers Auditorium. Tony Skevington gave the invocation and the Lancers sang the song "For the Beauty of the Earth." Fr. Michael Chowning introduced our Co-Salutatorians Carol Schafer and Helen Weber, who were followed by Greg Mauch giving the class reflections. Fr. Seculoff presented diplomas to the grads and Fr. Donnul awarded the Hoosier Scholars. Mark Troutman gave his speech as the valedictorian of the Class of 1975. Again the Lancers entertained all present with the song, "Battle Hymn of the Republic." Louise Still ended the ceremony with a thanksgiving prayer.

Valedictorian Mark Troutman reminds us to "Keep it legal!"

Salutatorian Carol Schafer speaks about her personal feelings towards Luers.

Helen Weber, Co-Salutatorian, wishes good luck in the future for all the grads.

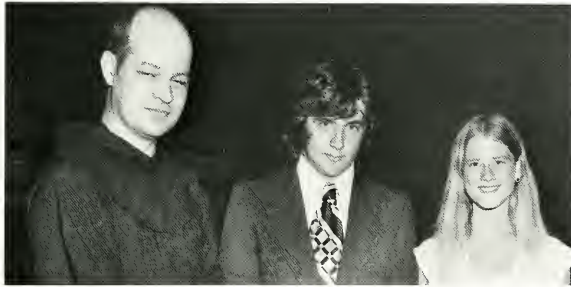

What Will I Miss? The People — the Community

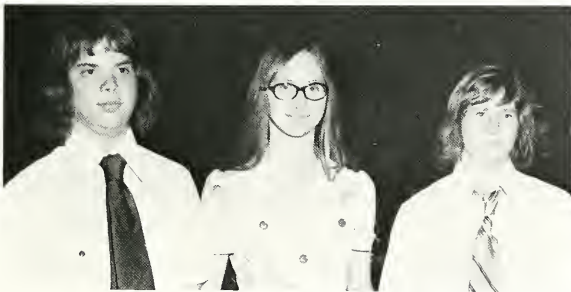

Father Seculoff presents Lori White with her diploma.

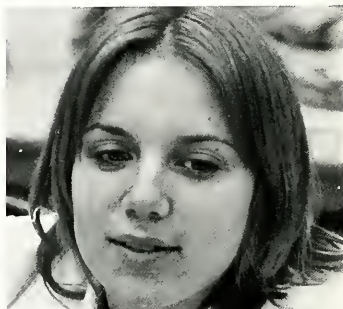

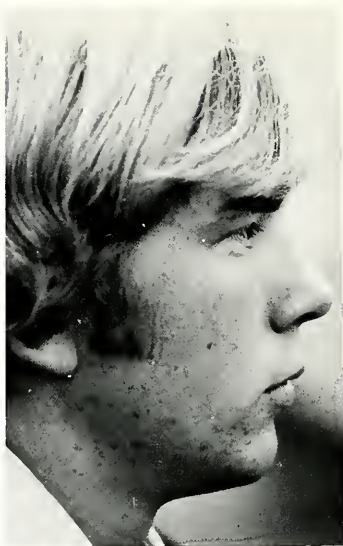

Julian and Carol lead the graduates.

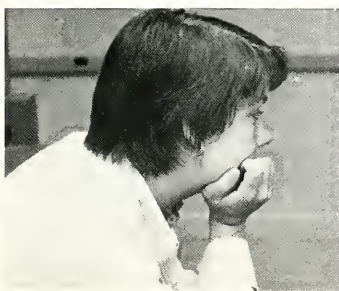

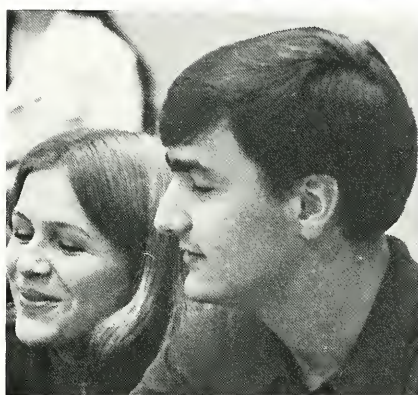

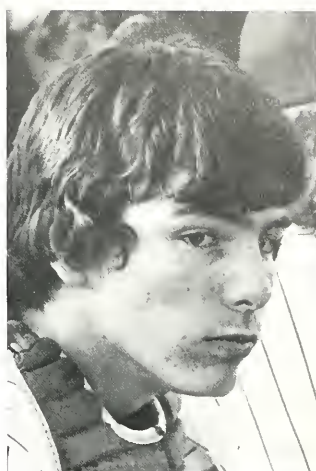

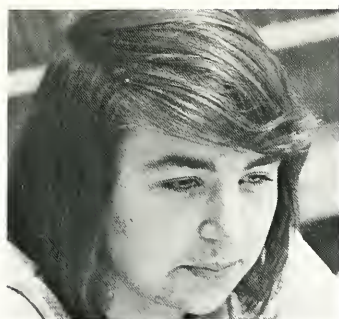

Bob, Steve and Karen are awarded for perfect attendance.

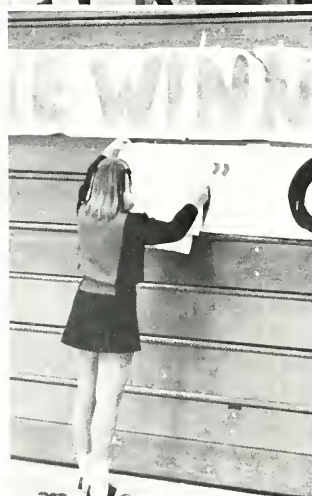

Mike Hickey's overjoyed with the End.

PASSING FROM FACE TO
FACE, WE RECOGNIZE
FRIENDS AND STRANGERS
AS PEOPLE.
A SMILE, A LAUGH,
A TEAR —
WE EXPERIENCE
EACH OTHER.
SEARCHING FOR A
WARM TOUCH
IN TIME OF NEED
WE CHOOSE FRIENDS
LIKE OURSELVES
YET DIFFERENT.

THE CLASS
OF 1979

Though eons past man has
overcome trifles large and small
to become and learn what is
himself. But no matter what
destiny brings us to, we shall overcome
it to Our true desires. Thus the
Knights of '76 bid farewell to the
graduates of LIFE, until at last
our swords' paths meet again.

The Father's Club Says

NEW FRIENDS AND OLD FRIENDS

Make new friends, but keep the old;
Those are silver, these are gold.
New made friendships, like new wine,
Age will mellow and refine.
Friendships that have stood the test —
Time and change — are surely best;
Brow may wrinkle, hair grow gray,
Friendship never knows decay.
For 'mid old friends, tried and true,
Once more we our youth renew.
But old friends, alas! may die,
New friends must their place supply.
Cherish friendship in your breast —
New is good, but old is best.
Make new friends, but keep the old;
Those are silver, these are gold.

The Key Club Salutes the Graduating Class of '75 for Their Contributions to Luers “Best of Luck in the Future”

Is There Life After High School?

Be Some One Special.
Join The Navy.

"Congratulations," they said. "This isn't the end ... it's just the beginning." They've said it a thousand times at a thousand graduations. While many young people like you sat there thinking, "Where do I go from here?"

Where do you go for challenge? And opportunity?

Go Navy.

If you qualify, you'll get some of the best training available in highly skilled job fields. From missile technician to nuclear propulsion.

And you'll live a little, too. Travel. Work hard. Even swab some decks.

A good job. And a good life. The Navy: It's a good deal.

LET US
REJOICE
IN THE
GOODNESS
OF LIFE

remembering: billy hicks
ron clark

We've finally reached the end. A time I thought would never come. It's impossible for me to express all the trials and tribulations the 74-75 staff went through in order to produce this book. However, I feel it was worth it.

74-75 the year that made the difference. Our theme. I believed very strongly in our purpose. I feel the theme expressed exactly what you the reader would be looking for. THE DIFFERENCE, made 74-75 unique and memorable.

I would sincerely like to thank Tony Skevington, Fr. Carl, and Bill Weber, for the time they devoted to photography and for a fantastic job. It's hard for me to say thanks to Mr. Cole. We've worked together on the Accolade for 3 yrs. During that time he stood by us with guidance, moral support, and the backing of the Journalism Department. All I can say is Luers is very fortunate to have such a beautiful person on their teaching staff.

The greatest value I gained from being a part of the yearbook staff was the friendships that developed between my fellow pubbers. You were great. I love you all and you are what I'll miss the most, (Knight Lights also).

I would like to close by wishing the 75-76 staff the best of luck. My only hope is that someday the Bishop Luers Journalism Department will be as well known and appreciated as the Bishop Luers Athletic Department.

It was a great experience for me to be editor. I'll cherish it forever. Marita, I did it!

Still,

Louise
